"Easy to Use" and "Well Organized"—Computer Shopper

Powerful, Affordable Payroll

\$49

We have a special offer to introduce you to the guaranteed easiest PC payroll system. Payroll is complex enough without software adding more confusion. Since 1978 Versa Payroll has been quietly managing payroll for thousands of accounting professionals and their clients nationwide. We've designed our latest release to be simple, yet provide all the power professionals need and we guarantee it with our exclusive 60 day, no strings attached, money back warranty. Versa Professional Payroll normally sells for \$99.95, but we recognize the important role you play in helping your clients decide on an accounting package. So for the next 30 days, you can purchase Payroll for only \$49. This offer is limited to only one copy per organization and is available for accounting professionals only. Up to 50% reseller discounts available. Take advantage of this special offer. Order today.

- After-the-fact payroll.
- 60 day money back guarantee.
- Free 6 months of technical support.
- Six pay rates per employee.
